

SECTION IV: DOCKAGE

ITEM
NO.

APPLICATION OF DOCKAGE RATES

- (a) Except as otherwise specifically provided in this tariff, dockage charges as defined in Item 01160 shall be assessed against the vessels in all trades at the full dockage rates provided in Item 04130.
- (b) When a vessel is assessed dockage for a period of 24 hours at a wharf owned or operated by, or under Lease assignment or franchise from the Port, it may use the same or, upon prior approval of the Director of Maritime or his/her designee, any other wharf within the Port during that 24 hour period without further charge, regardless of how often it may leave or return.
- (c) When a vessel changes its position from an outside to an inside berth, or otherwise changes its status so that it would be liable to pay dockage at a different rate as provided in this tariff, the dockage due under the changed status shall be assessed from the time such change takes effect.
- (d) One-half the full dockage rates provided in Item 04130 will apply for:
 - (1) Barges, lighters and other vessels berthed off-shore of a vessel that is paying full dockage.
 - (2) Barges, lighters and other vessels berthed off-shore of a vessel at a wharf discharging, loading or lying idle.

BASIS FOR COMPUTING DOCKAGE

(b) For the purpose of this tariff, the overall length of the vessel is the linear distance expressed in meters from the most forward point on the bow of the vessel to the aftermost part of the stern of the vessel measured as parallel to the base line of the vessel.

04125

(1) Fractions of less than one-half (.5) meter will be discarded when determining overall length.

(2) Fractions of one-half (.5) meter or more will be increased to the next whole meter when determining overall length.

MONTHLY DOCKAGE FEE

- (a) Operators of barges, lighters, tugs and similar vessels normally employed exclusively in daily Inland Waterway movements to and from Port facilities may, upon written application to the Director of Maritime, or his/her designee, on forms provided by the Port, be afforded monthly rates. Such operators are subject to a minimum charge of \$1,425 per month.
- (b) The monthly rate will be calculated based upon the applicable daily dockage rates multiplied by an average number of daily vessel dockings per 30-day period, subject to the following conditions:
- (1) Use of Port facilities under monthly dockage rates shall be subject to all rules and regulations contained in this tariff as well as special conditions which may be specified on MT Form 150, Standard Application Form for Tariff Assignment and Tariff Assignment.
 - (2) Barges, lighters, tugs and similar vessels subject to this rate will be specifically named on the Port's application form.
- (c) Such monthly rates shall be revocable at the discretion of the Executive Director. Vessels afforded monthly rates shall not be entitled to any preferential berthing right and such vessels shall vacate any particular berth whenever so ordered by the Executive Director.
