APPLICATION OF WHARF STORAGE RATES

(e) Monthly Storage:

(1) Rates will apply from a date in one calendar month to, but not including, the same date of the next and all succeeding calendar months. When there is no corresponding date in the next succeeding calendar month, storage rates shall apply inclusive of the last day of that month. The storage month shall be deemed to expire on the next succeeding business day when the last day of the final storage month falls on Sunday or a holiday.

(2) First-of-Month balance Systems:

Provisions of paragraph (e)(1) above will not apply when agreement between terminal and owner of cargo (or his agent) stipulates that monthly storage is to be computed as follows:

(a) When the storage period commences on or before the fifteenth day of the month, a full month's storage shall be assessed for that month. A full month's storage shall be charged on the cargo on hand on the first day of the following month and for each succeeding month thereafter.

(b) When the storage period commences after the fifteenth day of the month, storage charges for one-half month shall be assessed for that month. After this initial period, a full month's storage shall be charged on the cargo on hand the first day of the following month and for each succeeding month thereafter.

STORAGE UNDER STRIKE CONDITIONS

Cargo which cannot be removed from the Port due to a general waterfront strike of five consecutive calendar days or more is subject to the following:

(1) Cargo on Free Time:

Strikebound cargo will continue on free time until the free time allowed under Item 08120 of the tariff has expired. (Provisions of paragraph (b), Item 08125 Free Time - Shortened or Extended and Item 08135 Assembly Time are not applicable in connection with this item). Storage rates will be assessed under provisions of paragraph (2) below upon expiration of free time.

(2) Cargo on wharf demurrage or storage:

Cargo on wharf demurrage or storage will be subject to either daily or monthly storage rates in this section; whichever results in the lowest charge during any calendar month in which the strike is in effect. The Executive Director reserves the right to authorize storage rates for strikebound cargo without prior request.

(3) Charges applicable after strike ends:

Unless prior arrangements have been made with the Port for monthly storage, strikebound cargo remaining on hand the first day of the first calendar month following the end of the strike will be subject to daily storage rates.
